

CORRI-TOUGH BOARD 1200

Heavy-Duty Floor Protection Board

Engineered for construction sites, renovations, and high-traffic areas.
CORRI-TOUGH BOARD 1200 delivers superior impact resistance, fire-rated safety, and anti-slip performance with felt-backed protection.

Key Benefits

1200gsm Strength – Withstands heavy foot traffic, tools, equipment, and heavy machinery such as scissor lifts and forklifts.

Felt-Backed Safety – Prevents scratches and scuffs on delicate surfaces.

Fire-Rated – Certified for safer compliance on active jobsites.

Anti-Slip Surface – Reduces slips, trips, and falls in high-use areas.

Multi-Surface Protection – Ideal for timber, tile, vinyl, concrete & more.

Indoor & Outdoor Ready – Tough enough for all environments.
