Product information

A Classic, this leather driver is made from goat skin, one of the softest and strongest leathers available on the market. The breathable leather is great for use in mild and hot climates preventing the hands from overheating.

Drivers & Riggers

One of the best selling ranges of gloves globally, the Drivers and Riggers collection houses a large selection of work gloves made from premium genuine and synthetic leather. This affords the user the best in breathability, durability, comfort and dexterity.

Safety GLOVE Range

Constructed from the best materials and manufactured using state-of-the-art methods, the Portwest hand protection range offers the complete hand protection solution.
