#### Product information

Contemporary work jacket made from a soft knitted fleece fabric ensuring that once you put it on you won't want to take it off. Reinforced shoulders and back panels offer added durability in heavy-use areas. Designed with a modern fit, this jacket hosts a range of practical features including a longer back length, a rubber zip puller and multiple pockets.

#### KX3

Portwest KX3™ is a superior line of trend-led apparel combining quality construction to the highest standards and technical fabrics. Key characteristics within this collection include abrasion resistance, moisture management and stretch fabrics for sustained agility and effortless movement. All KX3 garments have been designed to fully complement each other to allow a personal layering system to be built. A perfect solution for modern workwear.

#### All Weather Protection

Portwest rainwear is engineered with exceptional fabrics and designs, allowing these garments to transition between work and leisure. The best quality materials and high technology construction techniques are used throughout, guaranteeing the ultimate in all-weather protection. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured with care to ensure total satisfaction wear after wear.
